## What is meant by the word Licensee in Electricity?

Written by Monday, 23 February 2009 16:38 -

'Licensee' means a person who has been granted a license under section 14 of the Electricity Act 2003. The Electricity Regulatory Commission is the authority to grant license to transmit electricity as a transmission licensee or to distribute electricity as a distribution licensee or to undertake trading in electricity as an electricity trader in any specified area. In Kerala Trichur Corporation and KDHP Munnar are examples of Distribution Licensees in addition to KSE Board.
